

COVID-19: Labuan EPF office closed temporarily

LABUAN: The Employees Provident Fund (EPF) office at the ground floor of the 17-storey Financial Park Complex here was closed temporarily on Thursday for disinfection of the office space, counters and surrounding areas.

Labuan EPF manager, Gilbert Jökual, in a statement said the office was expected to resume operations Friday (March 13).

The closure is due to internal standard operating procedure (SOP) for cleaning works to be carried out by an appointed contractor.

"This is being implemented as a preventive measure as our counters are the most vulnerable and frequently visited by customers at all levels," he said. —Bernama
